Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Friday 26 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Exceptionally strong winds across east Scotland tonight.

This Evening and Tonight:
Rain and snow spreading south this evening. Then drier for many with snow showers in the north. Widespread gales, locally storm force along the east coast, easing down in the early hours.

Saturday:
Cold, bright and windy with wintry showers in the north, and far southeast, mainly dry elsewhere. Strong to gale northerly winds moderating by evening.

Outlook for Sunday to Tuesday:
Mainly dry, bright and cold and Sunday, still the odd shower in the north. Mainly dry on Monday, perhaps some rain in north later. Rain at times on Tuesday.
